### **BUSINESS ARISING FROM THE CORRESPONDENCE**

#### **MUNICIPALITIES WITH A BILINGUAL STATUS CHARTER OF THE FRENCH LANGUAGE – SECTION 29.1**

**WHEREAS** the Charter of the French Language (“Charter”) was adopted by the Quebec National Assembly in 1977, and more than 80 municipalities throughout the Province of Quebec were recognized as having “bilingual status” pursuant to the provisions of Section 29.1 of the Charter;

**WHEREAS** the original provisions of the Charter allowed those municipalities that had a majority of residents who spoke a language other than French to be officially recognized under Section 29.1;

**WHEREAS** the Municipality of Grosse Ile has been recognized as having bilingual status under Section 29.1 of the Charter since 2006 and wishes to retain such “bilingual status”;

**WHEREAS** currently the Charter does not allow the recognition of “bilingual status” under Section 29.1 to be removed from a municipality or borough except at the request of such municipality or borough;

**WHEREAS** the Quebec National Assembly adopted Bill 170 imposing forced municipal mergers on municipalities in 2000 and simultaneously adopted companion legislation Bill 171 which drastically changed the criteria to obtain recognition under Section 29.1 of the Charter, from a majority of residents of a municipality or borough who spoke a language other than French to a majority of residents whose mother tongue was English;

**WHEREAS** the revised criteria under Bill 171 was imposed without consultation with municipalities recognized under Section 29.1 and adopted the narrowest and most inaccurate definition of the English-speaking communities within said municipalities or boroughs;

**WHEREAS** the Charter of the French Language leaves it to municipalities with bilingual status to determine if they ever wanted to abandon bilingual status and none ever has, and in 2013 when the Parti Québécois sought to revise the rules to remove this power from municipalities, the Coalition Avenir Quebec and Quebec Liberal Party made it clear that it should be up to municipalities and not the Quebec Government to determine if this status should ever be relinquished; and

**WHEREAS** the Municipality of Grosse Ile is concerned by recent comments from Quebec’s Minister Responsible for the French Language who stated he is considering changes to the Charter of the French Language related to bilingual status of municipalities which could put bilingual status of municipalities like the Municipality of Grosse Ile in danger irrespective of the fact that in the 2016 census 86% of the population declared that English was their first official language spoken;

**THEREFORE**

R2021-077

It is moved by Felicia Clarke  
Seconded by Nancy Clark  
And unanimously approved by the Councillors present

**THAT** the Municipality of Grosse Ile hereby declares that it wishes to retain its “bilingual status” recognition under Section 29.1 of the Charter now and in the future.

**THAT** the residents and Council of the Municipality of Grosse Ile view the recognition of our municipality under Section 29.1 as fundamental to the character of the municipality and as a testament of the historical presence of both the English- and French-speaking citizens within the municipality;

**THAT** the Municipality of Grosse Ile will vigorously oppose any modifications to Section 29 of the Charter and demands that the Quebec National Assembly continue to recognize the acquired rights of all municipalities and boroughs that currently possess such status and refrain from adopting any legislation that allows Section 29.1 recognition of bilingual status to be removed from a municipality or borough except at the initiative of and express request of said municipality or borough; and

**THAT** the Municipality of Grosse Ile shall forward a copy of this resolution to the members of the Quebec National Assembly, to all other municipalities in Quebec officially recognized under Section 29.1 of the Charter and to the local federal member of Parliament and the Office of the Commissioner of Official Languages of Canada as well as the UMQ, FQM and FCM.
